

BFA Attorneys Named to Lawdragon 500 Leading Plaintiff Financial Lawyers guide for 2024

Bleichmar Fonti & Auld LLP is pleased to announce that Lawdragon has named partners Javier Bleichmar, Joseph A. Fonti, Lesley E. Weaver, and Nancy Kulesa to its prestigious 500 Leading Plaintiff Financial Lawyers guide for 2024. Lawdragon selected Javier, Joe, Lesley and Nancy based on its “time-honed process of submissions, independent research and vetting with friends and foes.” According to Lawdragon, “[t]hese lawyers go to bat when their clients have been swindled, defrauded, shut out of markets, bamboozled and just plain lied to.” This recognition is a direct result of BFA’s fierce work advocating for plaintiffs.
