

BFA Partners Featured in Lawdragon Article on Historic Tesla Settlement

BFA partners Javier Bleichmar, Joseph Fonti, Nancy Kulesa, Derrick Farrell, and George Bauer were featured in a recent *Lawdragon* article, “Bleichmar Fonti & Auld: Partners on the Billion-Dollar Tesla Settlement That Stunned Delaware.” The piece highlights the firm’s pivotal role in securing a \$919 million settlement in a shareholder derivative action against Tesla’s board of directors—the largest recovery in Delaware Chancery Court history.

In the interview, our partners discuss the challenges of the case, their strategic approach, and the broader implications of the settlement for corporate governance and executive compensation.
