

BFA Partners Named to The 2025 Lawdragon 500 X – The Next Generation

BFA is proud to announce that three of our partners — George Bauer, Benjamin Burry, and Evan Kubota — have been named to *The 2025 Lawdragon 500 X - The Next Generation*, a guide recognizing the rising stars shaping the future of the legal profession.

This annual list highlights lawyers who are not only excelling in their fields but also redefining what's possible in the practice of law. In a year marked by challenge and transformation across the legal landscape, these attorneys stand out for their talent, dedication, and forward-thinking approach.

Lawdragon describes this year's honorees as “multi-talented, dedicated, focused – and the best argument there is for the vitality of the law.” George, Benjamin, and Evan exemplify these values through their leadership, innovation, and commitment to client success. We celebrate their well-deserved inclusion among the next generation of legal trailblazers—congratulations to them!
