

BFA Partner Erin Woods Appointed to NASRA Associate Advisory Committee

We are proud to announce that BFA Partner Erin Woods has been appointed to the Associate Advisory Committee of the National Association of State Retirement Administrators (NASRA).

NASRA is a non-profit association representing directors of the nation's state, territorial, and largest statewide public retirement systems, which collectively manage trillions of dollars in assets on behalf of nearly 26 million active and retired employees of state and local government. The NASRA Associate Advisory Committee assists the NASRA Executive Committee, Regional Vice Presidents, and staff in its mission to advance sustainable public retirement systems through research, education, and collaboration. As a trusted advocate for public pension plans and institutional investors, Erin is thrilled to further support NASRA and all of its retirement systems by taking a more active role in the organization.

Congratulations to Erin on this meaningful appointment!
