

BFA Recognized in 2026 US Edition of *Benchmark Litigation*

BFA is proud to be recognized in the 2026 edition of Benchmark Litigation, an annual guide to the USA's leading litigation firms and lawyers. Our firm was recognized as a 'recommended firm' in the category of Dispute Resolution. Partners Javier Bleichmar, Joseph Fonti, and Lesley Weaver were recognized as Litigation Stars, an honor reserved for attorneys highly regarded by their peers and clients for their exceptional trial skills, outstanding results, and leadership in complex disputes. Evan Kubota and Erin Woods were named Future Stars, a distinction celebrating the next generation of standout litigators who are rapidly earning reputations for excellence and impact in the courtroom.

Benchmark Litigation's 2026 U.S. Edition—*The Definitive Guide to America's Leading Firms and Attorneys* recognizes the top litigation talent across the nation. The rankings are based on extensive interviews with clients and peers, along with a detailed review of casework and firm achievements throughout the year.

Congratulations to our partners on this well-earned recognition.
