

## BFA's Tony Saguibo Supports NW Labor & Columbia Pacific Building Trades Council at NBA Labor Night

On Sunday, January 11, BFA's Tony Saguibo attended NBA's Labor Night. The event with a dedicated section for the group was organized by The Columbia Pacific Building Trades Council and the Northwest Oregon Labor Counsel, in collaboration with the Portland Trail Blazers. It was a great opportunity to show pride by wearing Union affiliate gear, while coming together to enjoy the excitement of Blazers basketball in Rip City.
