

## BFA Partner Lesley Weaver and Client Claudia Kindler Discuss Effects of Dieselgate

As part of Deutsche Welle TV's Close Up on VW's "Dieselgate," the publication questions the total effect of the emissions scandal, including whether VW's software updates to remove the emissions cheat devices now render the affected vehicles compliant with emissions standards. Beginning in minute seven of the [video linked here](#), Lesley Weaver and her client Claudia Kindler discuss the environmental effects of the emissions cheating, the impact the emissions cheating has had on Claudia's daily life, and the compensation class members have received as a result of Lesley's work as part of the Plaintiffs' Steering Committee in *In re Volkswagen "Clean Diesel" Marketing, Sales Practices, and Products Liability Litig.*, MDL No. 2672 CRB (JSC).
