

BFA Attorneys Publish Article in Fall 2023 Edition of NCPERS PERSist

BFA attorneys Javier Bleichmar, Erin Woods, Nancy Kulesa, and Ross Shikowitz recently authored an article titled *Maximizing Returns Through Asset Protection and Recovery*, which was published in the Fall 2023 edition of NCPERS's PERSist.

The article discusses recent scholarly work examining the prevalence of undetected corporate misconduct as well as steps that may be taken by institutional investors to help protect and maximize plan asset values.
