Umang Narayan Suhalka is a data analyst at BFA, where he maintains BFA's proprietary database, monitors and analyzes client exposure to financial fraud, and evaluates investment losses and potential opportunities for clients to serve as lead plaintiff.

In assessing client exposure, he evaluates recovery opportunities for clients based on court-approved loss methodologies for a wide variety of securities fraud allegations.

Umang also assists with determining client eligibility to participate in international securities cases and in class action settlements.

Prior to joining BFA, Umang interned at a financial services firm.
